

# REALIZATION IN OPAVA

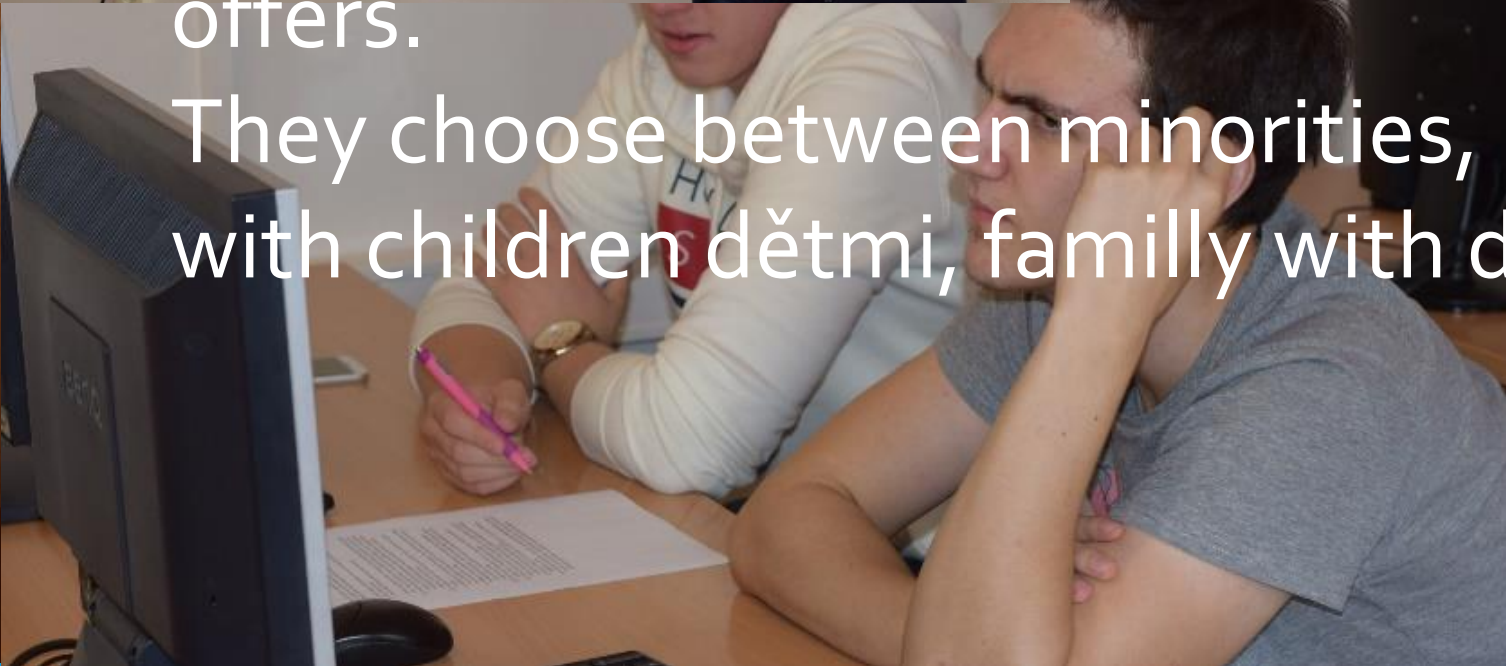

# SHORT-TERM ACTIVITIES

## S -WOHNUNGSWERBER

Student choose a renter for his flat. They have nine offers.

They choose between minorities, musicians, family with children dětmi, family with dogs asw.

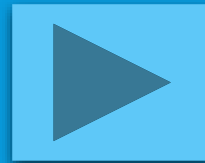

## WHAT WAS THE MAIN REASONS OF DECISION?

- Students chose according to level of education and job
- They expect that people with higher education will be able to integrate and coexist better.

# TEACHING UNITS– ICE BREAKING

- Introduction
- Activation, waking up
- Labyrinth

# TEACHING FOREIGN STUDENTS AND TEACHER AS A PARTNER FOR STUDENTS

# EDISON

Thanks to the project Edison our students had an opportunity to get to know other students from different parts of the world, their customs, hobbies and motivation for their studies.

# RESULTS

Air-conditioning at each classroom

Behaviour codex

School parliament

Anonymous tests

Teacher – authority, better teaching,  
communication

Students in groups according to their level of English

After-school activities

Study circles

Studyroom

Playground

Table tennis

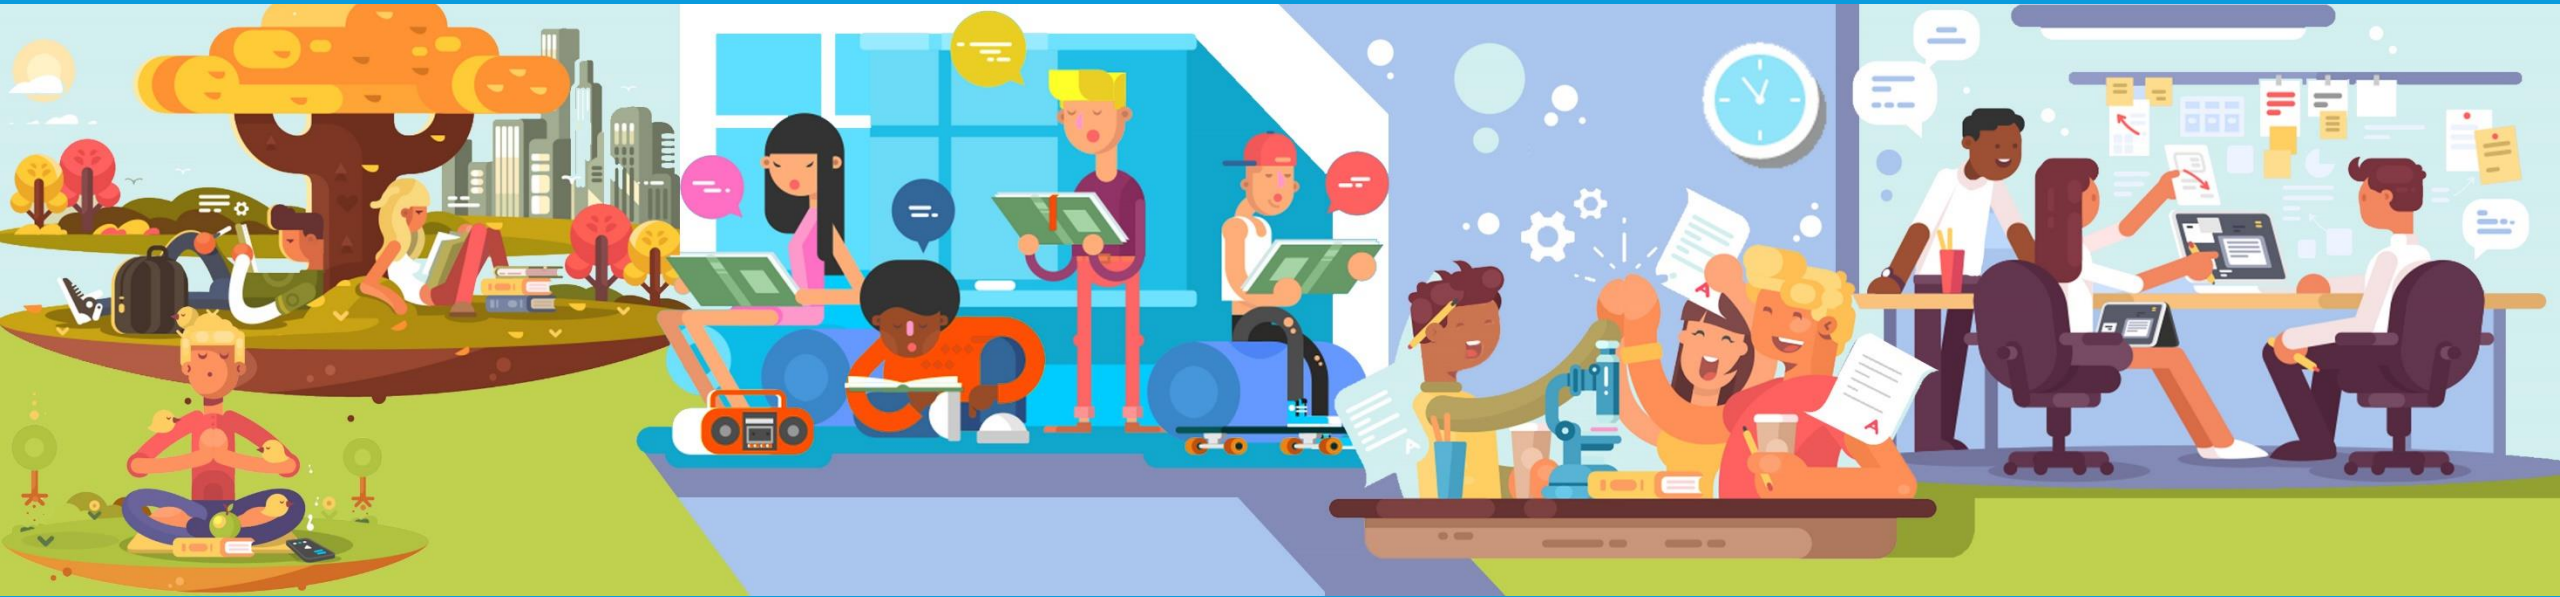

## USE „ZUKUNFTMETODE „ RESULTS

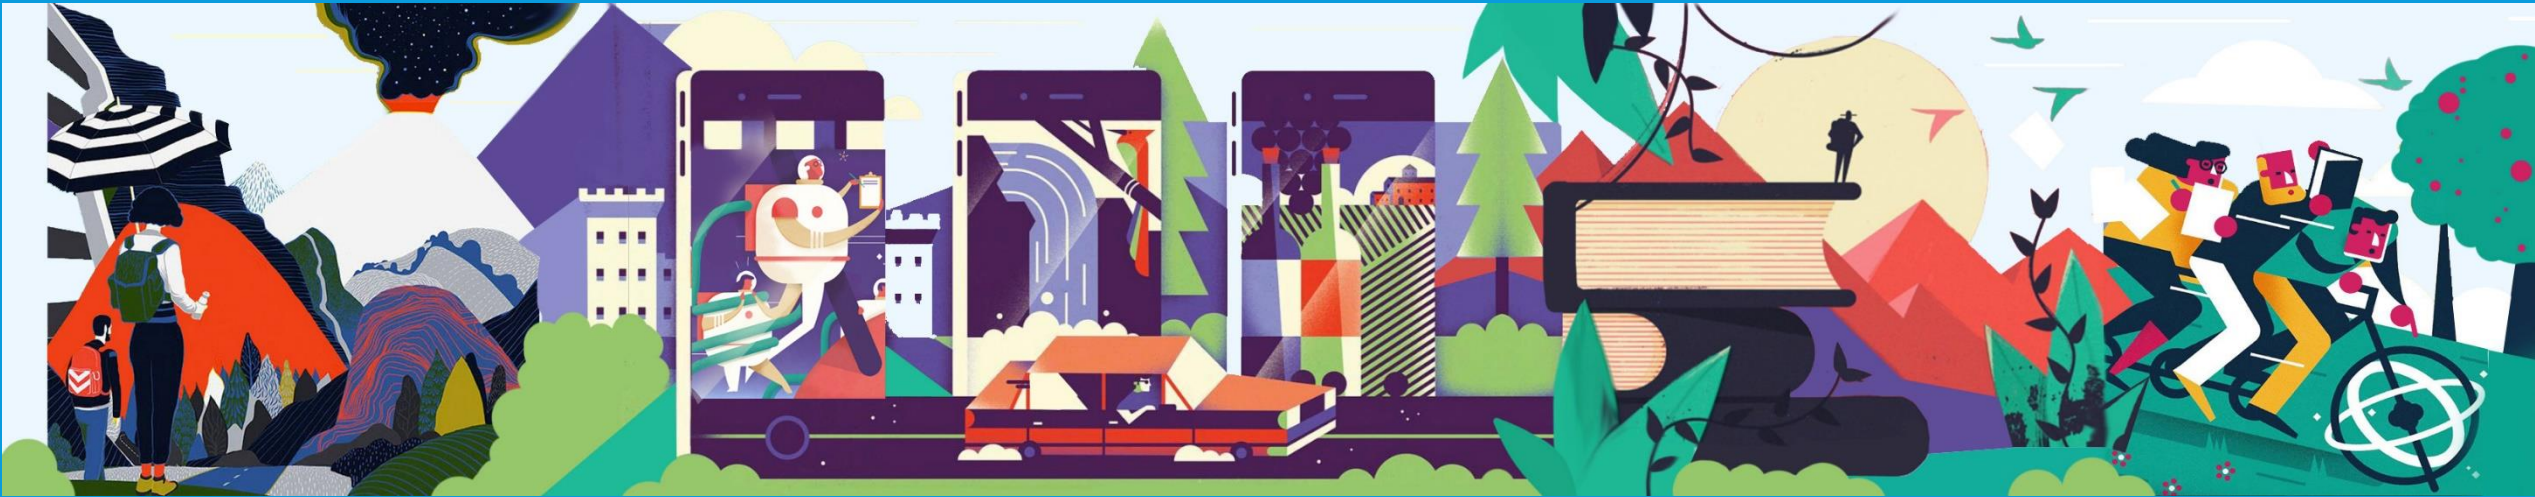

1. Foundation of the **school parliament** in January 2018 – the headmaster and a representative from each class will meet regularly and discuss students' problems and proposals.
2. **Study groups** – In September the school will start to help students who have problems with their school results and low motivation for education.
3. **Education of teachers** who should start to use new methods of teaching students from different cultural background.
